How to Use This Guide

This speakers guide has been prepared to assist organizations in selecting and engaging a speaker on topics that match to their interests.

To schedule a speaker, select the first, second and third choices from the list of available speakers and topics. Completely fill out the speaker request form and mail it in at least four weeks prior to the date of our scheduled program, or fill out the online form at www.frostburg.edu/events/speaker. The earlier the request is sent, the better chance of scheduling the first choice.

All requests must be in writing.

Send request forms to:

FSU Speakers Bureau
Office of News and Media Services
Frostburg State University
Frostburg, MD 21532-2303

Or e-mail to news@frostburg.edu

The Speakers Bureau will process the request except during such periods as examinations, commencement, holidays and vacations, when faculty and staff are not readily accessible. Please understand that most members of the Speakers Bureau are full-time employees and that their schedules may not always leave time for speaking engagements.

Upon receiving the request, our office will:

- Begin procedures to acquire your first choice. If that person is unavailable, the second will be scheduled, or the third.
- Send both the organization and speaker a letter of confirmation and provide contact information for any further communication.

The Frostburg State University Speakers Bureau does not request honoraria for FSU speakers, but voluntary honoraria are permitted. Reimbursement of travel expenses is appreciated.
