

Citizenship Verification Worksheet

(Print) Student's Name: _____ Date of Birth: ___/___/___

FSU ID: _____ Cell Phone: _____

We have completed the initial review of your Free Application for Federal Student Aid (FAFSA) and it has been determined that more information is needed regarding your citizenship status. This could be due to your FAFSA information not matching DHS or SSA databases. If so, we encourage you to make sure these departments are updated to prevent future mismatches. For you to be awarded financial aid, we will need to document your citizenship or eligible non-citizenship status. Per the FSA handbook, you must appear with your original documentation in-person at the FSU Financial Aid Office to complete this process. In some cases, the Financial Aid office will need to submit documentation through the "SAVE" system and wait for confirmation prior to verification being complete.

Please mark the circles that apply to you and present your current unexpired documentation.
